Don't miss your chance to get paid!

Trade allies — time is running out to submit your project applications and ensure you are paid in 2023. The application timeframe varies by state, so refer to the chart below. Check for unsubmitted applications TODAY, and don't miss out on you and your customers getting paid!

Make sure all applications are submitted **by December 1 for payment in 2023.**

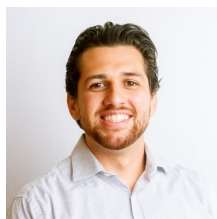

| State | Deadline | Application Window* |
|---------|------------------|---------------------|
| Idaho | December 1, 2023 | 90 Days |
| Utah | December 1, 2023 | 180 Days |
| Wyoming | December 1, 2023 | 90 Days |

*From installation date

Eligibility requirements can be found on the website at Wattsmarthomes.com, and applications can be submitted online via the

[application portal](#). For additional questions or support, reach out to your outreach specialist for assistance.
